Leadership for INClusion in the Early Years

The Leadership for INClusion in the Early Years programme, LINC, is a Level 6 Special Purpose Award (Higher Education). The programme is designed to enhance inclusion of children with additional needs in early learning and care (ELC) settings through the development of the role of INclusion COordinator (INCO). The programme is part of a Government commitment to the provision of high-quality education and training in the field of Early Childhood Care and Education, and was introduced as part of the Access and Inclusion Model (AIM) in 2016.

Early Learning and Care settings that employ an Inclusion Coordinator (INCO) who has graduated from LINC will be recognised for room leader status under the DCEDIY’s Early Years Recognised Qualification Listing.

LINC is delivered by a consortium led by Mary Immaculate College (MIC) and including Early Childhood Ireland and Maynooth University-Froebel Department of Primary and Early Childhood Education. The programme will commence in September 2022 and finish in May 2023. LINC will be delivered entirely online for the 2022/2023 academic year. Participants should ensure they have access to a laptop/PC and a good internet connection in order to complete the programme.

“Thank you for giving me this opportunity to partake in this very rewarding programme. I recall a good few years ago how I did not feel confident when a child enrolled in my setting with an additional need. I did not want to let that child or family down. Now with the skills and knowledge gained from this course, I feel more assured that I can create a warm and supportive environment for children in my care who have additional needs and for all children. Thank you for this journey.”

“Thank you I really enjoyed the LINC programme. It had been 16 years since I completed my level 5 and I was so worried I would not be able to complete the course but the tutors were very helpful and everything was explained really well. I have grown so much since completing LINC in my profession, it has opened my eyes up to things I didn’t think were possible in the early years and I have grown in confidence as a practitioner since I completed this programme.”
